PRAVEEN KUMAR P

IT Support Engineer | IT Infrastructure & Systems Support

Chennai, Tamil Nadu | +91 8940126921 | Praveenkumarp1412@gmail.com | praveenpk1412.github.io/praveeninfo

PROFESSIONAL SUMMARY

IT Support Engineer with hands-on experience in desktop and end-user support, Windows 10/11 deployment, application troubleshooting and incident management. Skilled in Ubuntu Linux administration, remote-access troubleshooting and MongoDB setup, with lab experience in Windows Server and Active Directory. Known for clear documentation, reliable follow-through and resolving issues within SLA targets.

PROFESSIONAL EXPERIENCE

IT Support Engineer | XYMA Analytics

September 2026 – Present

- Set up and configured Ubuntu Linux workstations, including SSH access and display-session troubleshooting.
- Diagnosed and resolved remote-access issues using AnyDesk and RustDesk to keep users productive.
- Installed and configured MongoDB and applied system configuration and security settings.

IT Support Engineer | Skypro Technology Private Limited

June 2025 – July 2026 | Chennai, Tamil Nadu

- Delivered onsite support for desktops, laptops, printers, operating systems, software and network issues.
- Installed, configured and maintained Windows 10/11 systems, device drivers and business applications.
- Supported Microsoft 365, Outlook, Teams and remote desktop tools; escalated complex issues with clear technical notes.
- Logged and tracked incidents, maintained support documentation and worked to meet SLA targets.
- Performed preventive maintenance and performance troubleshooting across end-user devices.

TECHNICAL SKILLS

- **Operating Systems:** Windows 10/11, Ubuntu Linux, OS installation, imaging, drivers
